**INDEPENDENT FITNESS BUSINESS | IDEAL FOR THE FITNESS PROFESSIONAL
LOOKING FOR THE IDEAL LOCALE**

This Fitness business is a boutique, independent gym focused on helping individuals "raise their game" or make a comeback after an injury. Specialising in personalised support, they cater not only to sports injury recovery but also to older adults with hip, knee, or shoulder injuries, and those recovering from strokes, heart issues, and other health setbacks. This club has carved out a niche in the fitness market, offering customised programs for clients of all ages and fitness levels - from teenagers to seniors.

With established systems and procedures already in place, this presents an ideal opportunity for a Personal Trainer or Exercise Physiologist interested in acquiring a well-established fitness centre with a loyal local clientele, offering strong potential for further growth and expansion.

The business is well-maintained, well equipped, and ready for a new owner to take over, with no further outlay needed, allowing a seamless continuation of service to its loyal membership base.
