MANUFACTURER BLINDS/CURTAINS/SHUTTERS (NORTHERN MELB) BFB3165

FULLY EQUIPPED MANUFACTURER OF BLINDS, CURTAINS AND SHUTTERS

LOOKING FOR A KEEN INVESTOR TO TAKE THIS OPERATION TO THE NEXT LEVEL

This manufacturing business is looking for an enthusiastic new owner to take over their profitable window dressing operation. All equipment and machinery are included, and the lease for a modern, well-maintained factory/office will be transferred to ensure seamless continuation of the business.

The current owners have found it difficult to manage the workload alongside family responsibilities and a demanding painting business. As a result, they are reluctantly offering the business for sale to an owner-operator who can fully dedicate themselves to customer service and effectively manage the workload. They are prepared to provide training and an induction to the business's systems and processes, with the existing team remaining to fulfill ongoing contract obligations.

- The ideal family business - Subcontractor well versed in the business operations and is willing to stay on
- Small, manageable operation with only three staff members - Room and potential for growth
- Currently there is no online advertising or general marketing - Good client database
- A significant share of the business is driven by external blind companies placing orders for their clients
