PERFECTLY SET-UP SWIM SCHOOL (NORTHERN SYDNEY) BFB3221

**A SWIM SCHOOL DELIGHT | ANNUAL RETURN AVERAGING \$300K
PEBITDA**

This is a fantastic opportunity if you're looking to buy a swim school within Sydney's northern suburbs. The school, which caters exclusively to children from newborns to 5 years old, has been highly successful and highly profitable.

The setup is impressive and definitely merits an inspection. The business operates from a converted warehouse, turned into a purpose-built swim school that features a concrete, above-ground, UV treated pool (9x8m); onsite (undercover) parking; heated change rooms; dedicated space for birthday parties; and has a substantial enrolment of around 750 students attend weekly.

The school is large enough to expand with great potential for growth opportunities. Potential service offerings: one-on-one swim sessions, expand into mini squads, adult lessons, and stroke correction. Additionally, an onsite café, online product sales, and most importantly, the implementation of perpetual lessons instead of term-based sessions could significantly boost the bottom line.
