AREAS**

WINE, SPIRIT & BEER IMPORTER & DISTRIBUTOR

Are you an experienced operator with a dream of becoming a restaurateur? Or are you the wine connoisseur, with an eye for a great tasting beverage? Then this could be the combination to blow you away.

Established in 2013, this restaurant/import group has built an exceptional reputation and is deeply rooted within Singapore's hospitality industry. What's more, the group is independently owned so the new owner can take the brand in whichever direction they desire. The formula is highly complementary for both businesses: a small to medium-sized licensed restaurant/bar and a profitable beverage import business that enhances the restaurant with a unique product range, whilst providing the current owner a financially rewarding lifestyle.

THE GASTROBAR

Gorgeous, sleek modern décor and cozy ambiance offering authentic European cuisine and imported wines and premium spirits. The ideal place to unwind and savour quality food and original cocktail creations. The restaurant/bar is ideally positioned in one of the best-known areas of Singapore, on the banks of the river, and is hugely popular for dinner and drinks. This is where the best bars, pubs and restaurants can be found.
